100kW	126 CITY	111 HWY	134 HP	125 Miles per charge*
--------------	--------------------	-------------------	------------------	---------------------------------

Start a longer-distance relationship.

The "e" in e-Golf doesn't stand for compromise. Other than running on electricity, it's 100% Golf. Versatile, agile, and fun to drive. With an EPA-estimated 125-mile range, it's an urban adventure vehicle ready to go out on the town and back. Again and again.

Adaptive Cruise Control	Blind Spot Monitor	Front Assist	Lane Assist	Park Assist	Light Assist	Park Pilot

Peace of mind - on and off campus.

With available Driver Assistance package on the SE, you get adaptive cruise control - helping maintain a present distance from the car in front of you, blind spot monitoring - helping you see what you might miss, and front assist - alerting you of a potential front-end collision. The full suite above is standard in the SEL Premium trim.

Here's a plug for technology.

The e-Mobility features in the VW Car-Net® app can monitor miles traveled, estimated power consumption of the motor, and location of the nearest charging station. It also helps you locate your parking spot, remote lock your doors and let you see the status of your vehicle plus much more.

Dashboard of the future.

The available Digital Cockpit is a customizable 12.3-inch digital display giving you access to traditional gauges as well as navigation, driver assistance, media and more.
